CETIFICATION

- Proud to Share My Achievement as First Runner-Up in a National Mobile Application Competition!

- In 2023, I had the honor of participating in the "Techon" competition held across all Aptech centers. I competed in the web designing category and, Alhamdulillah, secured 3rd place. Although I didn't achieve the 1st position, I am immensely proud of the result, as it reflects my hard work and dedication.

- "I excelled in website development; there was a task in which I did not come in first, but I definitely came in second. I received a task to translate web content into English."
